The Friendly Little Voice of the Lakes Region

Minutes of the Executive Committee Meeting
October 28, 1989

The meeting was held at the home of the repeater, WLNBL, Dick's place on Long Island in Lake Winnepesaukee. Present were President "Johnny" Johnson, WJY; Veep John Morrison, KLVPO, Sec'y, Hu Topliff, WLLIM; Treasurer Andy Andrews, KLNYS; Dave Walsh, WLFYX; Pete Colbath, K1OLV, and Dick Patten, WLNBL.

Johnny called the meeting to order at 1415, and the secretary summarized the minutes of the Annual Meeting, as mailed out. Minutes approved. Andy gave a written treasurer's report showing a balance of \$968.63 in the treasury. Currently we have 46 members, and several have already paid their 1990 dues. The dues remain \$10.00 per years. Andy said we had received a note of appreciation from the Holderness Historical Society for our donation in the name of Harold Wallace, K1NZJ.

Johnny reported attending the recent meeting of the New Hampshire Amateur Radio Association in Laconia, an enjoyable event, but no great news therefrom.

Most of our time was spent trying to decide on the location of the spring, 1990, Get-Together. The suggestion of holding it on the Motor Vessel Mt. Washington was ruled out due to the cost which some felt would make it impossible for some to attend. Several other possibilities were discussed, and several detailed reports were given. It was felt we should investigate a place in Belmont and get a report soon, in the hope of settling the location soon.

Dick reported no problems with the repeater.

The secretary was asked to send out 1990 Membership Applications with these minutes.

There being no further business, the meeting adjourned at 1500.

NOTICE: The NEXT MEETING of the EXECUTIVE COMMITTEE will be held on Saturday, February 17th, 1990, at the home of the repeater, 2:00 o'clock in the afternoon.

Respectfully submitted,

Hu Topliff, WLLIM, Secretary

P.S. The meeting went smoothly, the jokes were kept clean, and nobody got rowdy because Fran Morrison, John's XYL, was there "riding herd" on the motley crew. One woman to keep seven men in line. And they talk about womens' rights!!
