

LAKES REGION REPEATER ASSOCIATION

Minutes of the Meeting
of the
Executive Committee

November 7, 1987

The gang gathered for coffee and homemade rolls at the home of Dick, W1NBL, and the home of the repeater after traveling over very slippery roads caused by an early snowstorm that morning. Even the deer around Dick's place knew enough to stay in shelter, so none were seen. Present were Dave, W1FYX; Howard, W1QXB; Hu, W1LIM; Peter, K1OLV; Dick, W1NBL; and Charlie, K1ELM.

President Dave called the meeting to order at 0920 after most of the gossip had been dispensed with. The holder of the exchequer, Howard, reported a balance in our treasury of \$566.76 with all bills paid. Many comments of thanks over our present financial status as against one year ago. Thanks to everyone who has supported the Association.

The Spring Gathering for 1988 was discussed and decisions made. It will be held on May 28th, 1988, at the Pheasant Ridge Country Club, with about the same menu as this year.

1988 Membership Applications will go out with these minutes. Please be sure to include your call, your "handle", to be engraved on a name plate to be sent to you gratis, along with an updated Membership List. (See the enclosed application form.) Also, if any members have suggestions as to possible new members, please indicate the name, call and address on the form, and Howard will get the info to Hu, to contact them. We also discussed the idea of sending out an informative and inviting letter to hams who use the repeater during the year, not currently on our roster, offering them the opportunity to join. More details on this at the next Committee meeting.

Under New Business, it was mentioned that we still possess the 100-watt amplifier used only a very few hours on the repeater. It is complete with power supply and manual, and is in mint condition. It cost us \$495.00 brand new; make an offer. Contact Dave Walsh, W1FYX, P.O. Box 711, Wolfeboro, N.H. 03894; Tel. 603-569-5797.

The next meeting of the Executive Committee will be February 13th, with a snow date of the 20th.

Meeting adjourned at 1045.

Respectfully submitted,
Hu Topliff, W1LIM; Sec'y
