MINUTES of the EXECUTIVE COMMITTEE MEETING
April 13, 1990

The meeting was called to order by President Johnny, W1JY, at 1400 hours, at the Top-O-the Town Restaurant, Belmont, NH. Present were: Veep John Morrison, K1VPO; Treasurer Andy, K1NYS; Secretary Hu, W1LIM; Pete, K10LV, and Dick, W1NBL.

Treasurer Andy reported that we have over \$1,200 in our account at the present. He and Pete have looked into various checking accounts for the Association, and have decided to keep them as they are at present. Andy can now use the bank in Plymouth as it is a branch of the Wolfeboro bank we have been using. He is also filing the renewal paper on our Non-Profit status with the N.H. Secretary of State.

Repeater Trustee Dick reported that he has applied for renewal of our frequency coordination with the appropriate committee. It comes up for renewal this summer. He also reported we do not need to take any action with regard to the PUC's consideration of phone line rates for repeater use since we do not have a phone patch in operation.

The Spring Get-Together plans were finalized. It will be held at the Top-O-The-Town Restaurant in Belmont, NH, on Saturday, May 19th, with the social hour and cash bar starting at 12:00 noon. The buffet dinner will be served at 1:00 PM. The main courses will be roast beef and seafood newburgh. The cost is \$11.00 per person including tax and tip, and reservations by May 15th are required. The usual raffle will be held. The highlight of the gathering will be music on the Hammond Organ and keyboards by Joe Holiday, owner of the restaurant, and a wellknown musician and entertainer in the Lakes Region. He will play popular and request tunes for one hour. Dancing will be a part of the enjoyment. A reservation slip and details including directions to the restaurant are included with these minutes. Make your reservations with Andy, K1NYS by May 15th. This promises to be one of the most enjoyable Get-Togethers in a long, long time, so be sure to get your reservations in. We realize that there are several other activities going on that will need the attention of some of you, but please try to attend. You'll miss a great time if you don't!

The meeting adjourned at 1410, the shortest Exec Comm meeting in our history. Well, the wives were waiting for us, so we couldn't dally or tell our usual quot of stale jokes.

Respectfully submitted,
Hubert J. Topliff, Secretary
