Seasons Greetings to all, we would like to extend,
And get this information to you before year end.
Time has come once again for payment of dues,
So please mail your check after reading the news.
We have attempted to cut our costs to the bone,
So are not mailing just the bill alone.
Ten dollars is your only cost for the entire year,
We will spend the money wisely, never fear.
Thanks for your continued support and Savoir faire,
We look forward to hearing you on the air.

Please make checks payable to:
