

THE LAKES REGION REPEATER ASSOCIATION

It looks like Spring has finally sprung, and when we see all the vacationers returning for the summer, we can really believe it.

It's that time of the year again for our annual May get together, where you can enjoy old acquaintances and meet new ones, while enjoying a beautiful luncheon put on by the Contigiani Catering Service.

This year's luncheon again will be at the Pheasant Ridge Country Club in the Burgandy Room.
