Hi Tom

Here's the info that I have on the steak and lobster meal CNHARC Summer Outing

Save your appetites for Saturday, September 6th because Bill (NT1Q) and Ann Combs will be putting on another one of their fantastic meals. They plan on eating around 1:00 PM, so arrive early for nibbles and conversation. The menu will be lobster, steamers, corn, and steaks. People will need to bring the fixings, such as potato salad, baked beans, veggie platters, garden salads, watermelon, and desserts. Some tonic (soda) and beer will be available, but many people bring their own. Volunteer food really make this event feasible, the Combs' can't do it all by themselves. Please contact Bill or Ann to find out specifically what they need to have you to bring and to indicate your preference (lobster or steak). If everyone would bring a chair, it will make sitting much more comfortable.

The price is \$8.00 each for steak and \$10.00 each for lobsters. Children under 12 are free.

Directions to Bill and Ann's place: Route 104 east of I-93 to Town House Road, then to Dana Hill Road toward Ashland. Then right on Straights Road and its 1.5 miles to the big barn on the right. For talk-in help, try the club repeater 147.39 or 146.50 simplex. In order to have the right amount of steaks and lobster please let Bill know if your are coming.

Phone -  
73 Cliff.
